Guiding

***Patriotism** - We are proud of our country and not ashamed to show it.

***Respect** - We are a diverse group that treats each other with love and values each other's service.

***Service** - We seek opportunities to serve others.

***Partnership** - We look for ways to reach out to other groups with similar interest.

***Camaraderie** - We are the "connection" that was lost when we left military service. This is a safe "landing zone" for women veterans to find their tribe post-discharge. We love to share stories and have FUN!
